

## Binance Accelerator Program - Frontend Engineer

Taiwan, Taipei / Early Careers / Frontend

[Apply for this Job](#)

Binance is the leading global blockchain ecosystem and cryptocurrency infrastructure provider whose suite of financial products includes the world's largest digital-asset exchange.

Our mission is to accelerate cryptocurrency adoption and increase the freedom of money.

If you're looking for a fast-paced, mission-driven organization where opportunities to learn and excel are endless, then Binance is the place for you.

### About Binance Accelerator Program

Binance Accelerator Program is a concise 3 - 6 months program designed to have an immersive experience in the rapidly expanding Web3 space. You will be given the opportunity to experience life at Binance and understand what goes on behind the scenes of the world's leading blockchain ecosystem. Alongside your job, there will also be a focus on networking and development, which will expand your professional network and build transferable skills to propel you forward in your career.

Our Binance Accelerator Program - Welcome event, starts the first Monday of every month (i.e. July 3, Aug 7, Sep 4, etc).

### Who may apply

Current undergraduate / graduate students and fresh graduates.

We are looking for young talents to join our team responsible for engineering the next-generation products for our internal and external customers.

## Requirements

- Currently pursuing or recently graduated from a computer science-related degree program
- Programming knowledge in at least one of the following areas: Javascript, Typescript, Reactjs, Vuejs, Kotlin or Swift
- Excellent quantitative and interpersonal skills
- A curious learner with the ability to pick up new skills quickly
- Able to commit to a minimum of 3 months work period

### Working at Binance

- Be a part of the world's leading blockchain ecosystem that continues to grow and offers excellent career development opportunities

- Work alongside diverse, world-class talent in an environment where learning and growth opportunities are endless
- Tackle fast-paced, challenging and unique projects
- Work in a truly global organization, with international teams and a flat organizational structure
- Competitive salary and benefits
- Balance life and work with flexible working hours and casual work attire

Learn more about how Binancians embody the organization’s [core values](#), creating a unified culture that enables collaboration, excellence, and growth.

Apply today to be a part of the Web3 revolution!

Binance is committed to being an equal opportunity employer. We believe that having a diverse workforce is fundamental to our success.
