WORK & LEADERSHIP EXPERIENCE

Tech Start UCalgary   Calgary, AB, Canada

VP Strategy   **May 2021—Present**

- Guide business strategists on project teams to produce business plans and pitches by following the lean startup model and explaining and working through the components of a business canvas
- Advance entrepreneurial aspect of the club and assist with club growth by designing and leading club-wide team activities that aim to improve members' strategic thinking and pitching abilities

Business Coordinator   February—May 2021

- Lead the strategic business development of a centralized web app startup
- Pitched the business component of my team's startup to a panel of technology professionals

Finesse Wealth Management   Calgary, AB, Canada

Investment Analyst   **Sept 2020—Present**

- Analyze securities in various sectors using qualitative methods, including economic and market outlook, firm- and industry-specific risks and catalysts, and quantitative methods, such as DCF, comparables, and correlation analyses
- Pitch securities to take positions in as part of the club's passively managed portfolio
- Wrote a Python program that performs a correlation analysis for an existing portfolio, as well as tests the correlation of new securities with current holdings to help in the decision-making process

High School Student Council   Belgrade, Serbia

Vice President   **Nov 2018—Nov 2019**

- Presented Student Council initiatives to the student body and planned, directed, and oversaw major school venues, projects, and events
- Fund-raised for and helped organize the school's first Earth Day initiative - the planting of several trees in Belgrade on behalf of the school
